Keep on
TRYING
Nothing is Impossible

WE ARE MULTICULTURAL

Principal
Mrs. Armstrong

Assistant Principal
Mrs. Lesko

What a wonderful year 2014–2015 School has been. I continue to be amazed by how hard our students work, and their efforts are resulting in some amazing grades. Our teachers have done an excellent job encouraging our students to believe in themselves and to be the best they can be. This year, we were also fortunate to have extra teaching support to ensure all students have the opportunity to succeed.

We hosted our second annual Multicultural Day, where many students participated in cultural activities, and had an opportunity to taste bannock and cabbage rolls. Many of our students dressed in traditional outfits, and we were treated to beautiful performances by the Cheremosh dancers, M.E Lazerte student dancers, and one of our very own students danced a traditional Junior Girls First Nation Dance.

Through our Apple School initiatives, and with the support of our Parent Council, Students were treated to a week–long Zumba in residence program. It was amazing to watch the smiles on the faces of the students. There were many student requests to have Cheryl, from No More Excuses return again next year. Thank you, students, for remembering to eat healthy and be active! Intramurals were also successful this year, and were enjoyed by many students. We hope to see many more students participating in our intramural program next year.

Once again, our Family Fun Night and June BBQ was a huge success, and it was well attended. Students loved the oversized games, the prizes, and the face painting. Many thanks go to our Parent Council members who worked so hard to organize this wonderful event. We are also thankful for all of the parent support we have received throughout the year. We celebrated 72 volunteers during our year–end celebration.

Every day, I feel blessed to work with such wonderful children, staff members, and parents. Homesteader School is truly a wonderful place to be. I look forward to the many future years in such a family based community. I wish everyone the best over the summer, and I look forward to seeing everyone again in September!
